

Ajman Data Portal

Privacy Policy

Introduction

Welcome to the Ajman Data Portal (the "Portal"), an official digital platform of the Government of Ajman, managed by the Department of Digital Ajman (DDA). The Emirate of Ajman places a high value on data as a strategic asset and is committed to upholding the principles of data ethics, security, and privacy. This Privacy Policy outlines our practices for safeguarding privacy and ensuring a secure online experience for all users.

Data Collection and Use

The Portal primarily allows users to browse and access data without collecting any personal information that identifies individuals. However, in certain instances where users engage in specific services or transactions that require registration or submission of personal information, such information will be collected with the user's explicit consent.

The collected personal data is used solely for the purpose of facilitating the services requested by the user, enhancing the user experience, and improving the speed of transactions by displaying previously provided data. The DDA commits to using this information responsibly, in accordance with the principles of data ethics, security, and privacy.

Storage, Maintenance, and Sharing of Data

DDA is dedicated to maintaining the accuracy of the data stored on the Portal. We encourage users to report any inaccuracies immediately.

Security Measures

DDA employs advanced security measures to protect the electronic storage and transmission of data against unauthorized access, alteration, disclosure, or destruction. These measures include encryption, security protocols, and physical

security practices.

Links to External Websites

The Ajman Data Portal may contain links to external sites, which operate with their own data protection and privacy practices. DDA is not responsible for the content or privacy practices of these external websites.

User Rights

Users have the right to inquire about any personal data provided to DDA. Requests for access to personal data can be made through the Portal's contact form. DDA is committed to facilitating users' rights in accordance with the Ajman Data Management policy.

Privacy Policy Updates

DDA reserves the right to update this Privacy Policy at any time. Any changes will be posted on this page, and users are encouraged to review the Privacy Policy periodically to stay informed of how DDA is protecting their information.

Contact Information

For any inquiries or feedback regarding our data protection policies, or to request access to your personal data, please contact DDA through the contact form available on the Portal.

By using the Ajman Data Portal, you acknowledge and agree to the terms outlined in this Privacy Policy.
